Any information which you may need that is not found in this catalog may be had by contacting us at Manchester, Conn. If you desire, we will have our representative in your area contact you and discuss your needs.

If you need urgent handling and quick delivery of your order, we have a direct Western Union wire in our office.

Wrapped Nursery Stock

This catalog provides information concerning bare-root material only. However, C. R. Burr & Company, Inc. is one of the oldest nurseries attractively root-wrapping Roses, Flowering Shrubs, Ornamentals and many other types of plants. We are one of the largest growers in the East, providing a wide line of wrapped material in various price groups so that the retail nurseryman and dealer can present a well-balanced offering to the trade. All plants are packaged in Peat Moss, which our experience has indicated is the best moisture-retaining agent for keeping the root system healthy.

Information as to the type of packages, prices and varieties wrapped may be had by writing our Manchester office.

"Growing Since '98"

Reading from left to right - Peace, Mojave, Show Girl pictured in June in our California rose blocks at West Covina, California. Note the vigor and bloom.

C. R. BURR & COMPANY, INC. has been "Growing Since '98" a complete line of hardy northern grown nursery stock, including Evergreens, Fruit Trees, Hedge Plants, Roses, Shade and Flowering Trees, Shrubs and Vines. We have 600 fertile acres under cultivation in the soil rich Connecticut Valley, famous for shade tobacco and many other agricultural products.

This summer has been one of the most phenomenal growing periods in our history. Although July was somewhat dry, we have had a tremendous amount of rain during August and early September. Although it's been pretty difficult to keep up with the weeds, it has resulted in terrific growth on most items and incredible growth on others; for instance, our one year shrubs (cutting stock this spring) are already big enough to sell in many instances.

We don't grow everything, but we do have what we believe to be an extensive selection, both as to color and variety, in nearly every category; for instance, there are fifty-five (55) varieties of Patented Roses, including all the newer varieties, such as, Queen Elizabeth, Tiffany, Jiminy Cricket, etc. In addition we have forty-seven (47) varieties of the tried and true non-patented varieties to choose from. In flowering Shrubs we have a complete line, which includes all of the old favorites, such as Forsythia, Hydrangea, Mock Orange, Quince, in addition to many of the newer introductions, such as Forsythia Spring Glory, Spirea Macrothrysa Philadelphus Belle Etoile, Weigela Vanicek, Viburnum Opulus Nana and others.

Although they are not any more plentiful than they have been in recent years, we have a good range of flowering and shade trees including Norway, Sugar and Silver Maples, Birch, Hawthorn, Prunus Thundercloud, Dogwood and Redbud. We also have a limited number of Malus Oekonomierat Echtermeyer, the Weeping Flowering Crab.

Our Evergreen production is concentrated in those varieties that enjoy the widest popularity and because of their price, sell more readily. We think that our prices will compare favorably with nearly everyone, although we won't be low on every item. Among the varieties you can select from and we hope that you will come up and look them over, if possible, are Irish, Greek, Hetz, Pfitzer and Savin Juniper, Dark American and Pyramidal Arbor Vitae, and an especially fine block of Globes. In addition, we have some outstanding young Hemlocks and Upright and Spreading Yews.

Although business is becoming more competitive and selling requires more effort, the general outlook for Fall and Spring appears to be highly favorable. No acute scarcities seem to exist, with the exception of shade trees, and yet there never seems to be enough top quality material available at reasonable prices.

We are always glad to show visiting nurserymen around our farms and through our warehouses. It has proved to be our best form of advertising and we hope that you will find it possible to visit us. Our Main Office is nine miles East of Hartford, Conn., near Routes 6, 15 and 44. We will meet you at Hartford or Springfield, Mass., if you let us know when or where you will arrive.

Members of American Association of Nurserymen, New England Nurserymen's Association, and Connecticut Nurserymen's Association.

**All stock graded according to American Association of Nurserymen's standards.
Terms and Conditions of Sale:**

These prices are wholesale and apply only to wholesale quantities. They are based on present market conditions and subject to change without notice.

Terms: F.O.B. Manchester, Conn. 2% 10 days; Net 60 days for Nurseries. All others 2% 10 days; Net 30 days. C.O.D. orders to be accompanied by 25% of face amount of order. Cash, security or satisfactory references are required from unknown parties.

We Do Not Break Bundles. All orders must be made up in 10 of a variety or multiples of 10.

Shipping. We welcome customers' instructions regarding shipping. **In the absence of definite instructions we will use our own judgment, with the distinct understanding that it is without responsibility on our part.** A charge will be made for boxing and crating except when cash accompanies order. Boxing and crating charges will be made at cost.

Claims for shortages, unsatisfactory stock or for any cause whatsoever must be made in writing direct to the home office within ten days from receipt of shipment.

Correspondents are requested to use their business letterhead to identify them as being entitled to wholesale prices. We do not quote prices to retail buyers.

Guarantee:

All stock is guaranteed to be true to name, and we will replace or refund the purchase price of any item which is proved not to be the variety listed herein. We will not in any case be liable for a sum greater than the amount originally paid for the item purchased. No further warranty expressed or implied.

Quantity Purchases:

Purchases of 30 or more of one item entitle the purchaser to the 100 rate.

Purchases of 300 or more of one item are subject to the 1000 rate.

*This does not apply to Roses or Evergreens which have special discounts.

We have limited quantities of items other than those listed. Mail your want list to our Manchester office.

If you need urgent handling and quick delivery of your order, we have a direct Western Union wire in our office.

Special Note: We accept all orders subject to crop conditions and on condition that same shall be void should injury befall our stock from hail, fire, frost, error in count or other causes beyond our control. All orders are accepted without liability for non-performance if labor shortages or delay in transportation should prevent us from making delivery.

Flowering Shrubs

Your shrubs from the Burr Nursery are cut back, transplanted field grown plants, two, three and more years old. They are produced in the famed Connecticut Valley renowned for its production of quality agricultural crops.

We welcome your inspection of these fine shrubs throughout the year either in the field or in our storage. The plants are propagated from both hardwood and softwood cuttings and rooted in our own greenhouses. All plants propagated from softwood are individually potted and carried in cold frames from September to May before being planted out and grown on for two or three years. Plants propagated from hardwood are lined out under irrigation and carried from spring to fall, at which time they are placed in cold storage. The following spring the plants are lined out again and grown on for two or three years.

In the field the shrubs are grown in well spaced rows, which are fertilized and cultivated to the exact extent required to assure you a healthy, hardy, thrifty ornamental. All Burr shrubs are cut back in the field to develop a heavier branched top and a more vigorous root system.

BUDDLEIA variabilis (Davidi). Common Butterfly-bush.

Long panicles of lilac-colored flowers with an orange-yellow spot in the throat. Grows 5 to 6 feet tall. Blooms midsummer to frost.

Vines

Our Connecticut Valley-grown vines are extremely well rooted to give you a quick start in securing the coverage you desire.

AMPELOPSIS tricuspidata Vietchi.

Boston Ivy.

Glossy green foliage, purplish when young and turning bright tones in the fall. Blue berries. Very graceful and hardy, clinging closely to walls by tendrils.

	10	100	1000
2-yr., No. 2.....	\$4.00	\$35.00	\$300.00
2-yr., No. 1.....	5.00	45.00	400.00

BIGNONIA radicans. Trumpet-vine.

A tall, tropical-appearing vine with large, trumpet-shaped flowers of glowing orange-red in August. A rapid grower; self-clinging. Grows 30 to 40 feet.

2-yr., No. 2.....	3.00	25.00
2-yr., No. 1.....	4.00	35.00

CELASTRUS scandens. American Bitter sweet.

Tall, vigorous climber with bright green leaves and orange-yellow berries that split open in fall, showing crimson within. For covering rocks, walls or lattice.

2-yr., No. 2.....	3.50	30.00	250.00
2-yr., No. 1.....	4.50	40.00	350.00

CLEMATIS jackmani. Hybrid Clematis.

Covered with large, velvety purple blue flowers. Blooms all summer.

From 4 in. pots.

1-yr., No. 1.....	6.50	60.00
-------------------	------	-------

C. paniculata. Sweet Autumn Clematis.

Profuse fragrant white flowers in late summer. Well adapted for covering porches, arbors, or the sides of buildings. Vigorous and hardy. Grows 6 to 10 feet.

2-yr., No. 1.....	5.00	45.00	400.00
-------------------	------	-------	--------

1000 rate applies on 300 or more

EUONYMUS radicans vegetus. Bigleaf Wintercreeper.

A versatile evergreen plant that can be trained as a shrub, vine or ground cover. A shrubby climber 5 to 6 feet tall. Will cling to stone or brick walls.

	10	100	1000
9 to 12 in.....	\$5.00	\$45.00	\$400.00
12 to 15 in.....	6.50	65.00	550.00
15 to 18 in.....	9.00	85.00	750.00

LONICERA Heckrotti.

Gold Flame Honeysuckle.

Fragrant red and yellow. A shrubby vine, splendid for massing and as a ground cover.

2-yr., No. 2.....	4.00	35.00	300.00
2-yr., No. 1.....	5.00	45.00	400.00

L. japonica Halliana. Hall's Japanese Honeysuckle.

A semi-evergreen climber 10 to 15 feet tall. Flowers white, changing to yellow, very fragrant. Fine for trellises and as a ground cover.

2-yr., No. 1.....	\$3.50	\$30.00	\$250.00
-------------------	--------	---------	----------

LYCIUM Chinensis. Chinese Matrimony Vine.

Valued for its dense growth and bright red fruit in the fall. Very easy to grow; spreads rapidly. Very good for embankment plantings. Flower is small, lilac purple.

2-yr., No. 2.....	3.50	30.00
2-yr., No. 1.....	4.50	40.00

POLYGONUM Auberti. Silver Lace-Vine.

Tiny white flowers in feathery sprays from August to October. A very fast grower, tall and hardy. Grows to 20 feet.

2-yr., No. 1.....	5.50	50.00
-------------------	------	-------

WISTERIA, Purple.

Long sprays of handsome bloom. A large, very vigorous, hardy and long-lived vine well adapted for training on porches, arbors and trellises. Grows to about 25 feet.

Own-root

2-yr., No. 1.....	6.50	60.00	550.00

Roses

You will be pleased with the development and luxuriant growth of Burr Roses. They are budded on *Rosa multiflora*, the hardiest and the least suckering of Rose understocks. The plants have been fertilized at the proper time, well cultivated and adequately dusted during the growing season to make them vigorous and disease free.

Note: Purchase of 30 or more qualifies for 100 rate.

Purchase of 250 or more qualifies for 1000 rate.

To qualify for above rates it is not necessary that all roses be of one variety.

Fruit Trees

Choice northern-grown fruit trees have been one of the featured items at Burr's for many years. As New England's largest fruit-tree growers, we are confident that your requirements will be satisfied here. All trees are grown by the most modern methods and all are graded to the standards of the American Association of Nurserymen.

The inspectors of the Massachusetts Fruit Growers Association offer inspection service for trueness-to-name and are regularly employed to inspect Burr blocks of fruit trees.

Height and Caliper

Height given of fruit trees is approximate and represents average height of most varieties. Some small growing kinds may fall short of height specified as it is intended that the caliper shall govern.

APPLES

	100	1000	
2 yr., 3-4 ft. $\frac{7}{16}$ -in. cal.	\$50.00	\$450.00	✓ Northern Spy. Large, bright scarlet marked yellow. Rich flavor.
2-yr., 4 ft. and up, $\frac{9}{16}$ -in. cal.	60.00	550.00	✓ Red Astrachan. The standard large red summer apple.
2-yr., 4½ ft. and up, $\frac{11}{16}$ -in. cal.	70.00	650.00	✓ Red Delicious. Large, solid, red. Excellent flavor.
✓ Baldwin. Large, bright red, crisp. Ships and keeps well.			✓ Red Gravenstein. Large, well colored; flesh slightly yellow. Summer.
✓ Cortland. Red; fine flavor. A month later than McIntosh.			✓ Red Jonathan. Rich red, juicy, firm. For cooking or eating raw. Late fall.
✓ Early McIntosh. Has same characteristics as McIntosh but bears three to four weeks earlier.			✓ Red McIntosh. Solid red. A heavy yielder. Fall.
✓ Galbraith Baldwin. A dark red sport of Baldwin with a deep red uniform shade extending all the way to the calyx end of the apple.			✓ Red Rome Beauty. Bright red. Superior quality.
✓ Grimes Golden. Golden yellow, tender fall apple.			✓ Red Spy. Extra large fruit. Vigorous and hardy.
			✓ Red Stayman's Winesap. Very large, red winter apple.

Ornamental Trees

The great increase in new housing has resulted in a very wide-spread demand for ornamental trees. It is our belief that this demand will continue to be strong for several years, and we feel that the ornamentals in our blocks at Ellington will prove profitable for you. They are grown in richly fertilized soil, spaced in wide rows and pruned to produce a desirable form. We have many varieties available that have been scarce in recent years.

ACER dasycarpum. Silver Maple.

A large, wide-spreading tree. Bright green leaves, silvery white underneath, turning pale yellow in the fall. Fine shade tree to 80 feet tall.

	10	
10 to 12 ft.	1½ to 2	-in. cal. \$45.00
12 to 14 ft.	2 to 3	-in. cal. 75.00
14 to 16 ft.	3 to 4	-in. cal. 100.00

Acer palmatum atropurpurea. Japanese Red Maple

Graceful slow growing maple in great demand as an accent piece. Leaves bright scarlet throughout season.

15 to 18 in.	B & B.	45.00
--------------	--------	-------

A. platanoides. Norway Maple.

Round, compact head and spreading branches. An excellent street or lawn tree reaching a height of 40 to 50 feet.

8 to 10 ft.	1¼ to 1½-in.	cal. 60.00
10 to 12 ft.	1½ to 2	-in. cal. 80.00
12 to 14 ft.	2 to 3	-in. cal. 150.00

Acer platanoides Schwedleri. Schwedler Maple.

Leaves bright purplish and crimson in spring, becoming dark green and then red and brown. Grows 40 feet high.

8 to 10 ft.	1¼ to 1½-in.	cal. 60.00
10 to 12 ft.	1½ to 2	-in. cal. 100.00

A. saccharum. Sugar Maple.

Stately, upright, dense habit of growth. Leaves turn bright scarlet, orange and yellow in the fall. A fine street and lawn specimen 50 to 60 feet tall.

10 to 12 ft.	1½ to 2	-in. cal. 80.00
12 to 14 ft.	2 to 3	-in. cal. 150.00
14 to 16 ft.	3 to 4	-in. cal. 200.00
16 to 18 ft.	4 -in. cal. and up	250.00

BETULA alba laciniata. Cut-leaf White Birch.

A graceful tree of weeping habit; leaves are deep cut. Grows 20 to 30 feet.

	10	
5 to 6 ft.,	1⅛-in.	cal. \$15.00
6 to 8 ft.,	1 to 1¼-in.	cal. 20.00

B. pendula. European White Birch.

Pyramidal type of growth exceedingly attractive when planted in clumps. Bark shows white now.

6 to 8 ft.,	1 to 1¼-in.	cal. 15.00
-------------	-------------	-----------------

CATALPA Bungei. Umbrella Catalpa.

A small tree with dense, round head. A hardy ornamental used in formal gardens.

5 to 6 ft.,	2-yr. head.	15.00
-------------	-------------	-------

A block of young Schwedlers at our Ellington Farm. These have made a nice beginning and we should have some salable trees here by Fall 1955

Evergreens

You may choose from acres of well-grown reasonably priced evergreens at our South Windsor and Ellington farms. They are grown in soil especially well adapted to produce the fine fibrous root systems so essential to digging with a good firm ball. All our evergreens have tied balls, and whether you need ten or a carload you may be sure of buying well-sheared, root-pruned, properly fertilized trees.

AZALEA calendulacea. Flame Azalea.

A very showy shrub flowering in late spring. Large clusters of flame-colored, red and yellow flowers. Grows 6 to 8 feet tall.

18 to 24 in.....	\$15.00	\$135.00
2 to 2½ ft.....	20.00	175.00
2½ to 3 ft.....	25.00	225.00
3 to 4 ft.....	40.00	

**P. pungens*. Colorado Spruce.

Symmetrical evergreen of pyramidal outline, with branches in distinct whorls. Light green. Reaches 70 to 80 feet in height.

18 to 24 in.....	\$20.00	\$180.00
2 to 2½ ft.....	27.50	245.00
2½ to 3 ft.....	32.50	

PINUS Montana Mughus. Mugho Pine.

A dense globe shaped pine well adapted for foundation plantings.

12 to 15 in.....	\$25.00	\$225.00
15 to 18 in.....	32.50	300.00
18 to 24 in.....	45.00	400.00

**TAXUS cuspidata*. Spreading Yew.

One of the best spreading type evergreens. Dark green foliage; slow growing; can be trimmed to any shape desired.

	10	100
12 to 15 in.....	\$25.00	\$225.00
15 to 18 in.....	32.50	300.00
18 to 24 in.....	47.50	425.00

T. cuspidata capitata. Upright Japanese Yew.

Symmetrical, pyramidal tree with deep green foliage. Easily trimmed to make an excellent hedge. Grows 20 to 25 feet tall if not pruned.

18 to 24 in.....	\$40.00	\$360.00
2 to 2½ ft.....	50.00	450.00
2½ to 3 ft.....	65.00	600.00
3 to 4 ft.....	100.00	900.00

**T. Cuspidata Nana*. Dwarf Spreading Yew.

Excellent for Ranch-type architecture. Very slow-growing. Needs little shearing.

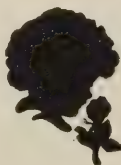

12 to 15 in.....	\$32.50	\$300.00
15 to 18 in.....	42.50	385.00
18 to 24 in.....	52.50	475.00

**T. media Hicksi*. Hicks Yew.

A columnar form with upright branches and green foliage. Makes a good accent plant 10 to 12 feet tall.

18 to 24 in.....	\$32.50	\$300.00
